1. Prisoners detained at Caransebes have been evacuated toward the interior of the country on the ground that this prison is too close to the frontier. An unknown number of prisoners has also been moved eastward from Jilava to Sighetul Maruiaesti (sic). Approximately 400 prisoners at Jilava who were convicted of attempting to escape abroad, trafficking in currencies or criticizing the regime have been sent to work on the Danube-Black Sea Canal project.
2. [redacted] Ministry's daily budget for feeding prisoners has been increased by 10,000 rations. This increase has been divided among the prisons according to the normal proportions but also include three barracks that are identified solely by number without indication of the locality in which they are situated.
3. [redacted] it is planned to arrest all former owners of urban real estate and former industrialists; all persons without legitimate employment will ultimately be sent out of the cities and distributed in the interior provinces.
